Profile	<p>I am a practising designer for 3.5 years and design enthusiast for at least 5 years. I study Product Design in my curriculum but I also work with Interior, Graphic, UI/UX, Animation Design fields for the joy and the interconnectivity these branches have. I have a year more left for my degree and yet a lot more to learn. I got to acquire a lot of skills by just exploring a lot without boundaries. I believe I got a chance to affect the world and change it for the better, design by design.</p>
Experience	<p>Dominix Strategic Design Pvt. Ltd. – (2017 - Present) I am working at Dominix Strategic Design.
